SUMMARY OF THE REASONS FOR DECISION:

The publication is an Australian magazine presenting explicit sexual material for a male readership. This includes photographs and stories depicting sex acts in graphic detail, and which are referred to in s. 3(3) of the Films, Videos, and Publications Classification Act 1993. In particular the magazine degrades, dehumanises and demeans women, and represents that women are inherently inferior. It is likely to be injurious to the public good if made widely available. It is therefore classified as objectionable except if its availability is restricted to the owner, Mr WJ Horne.
